

IN SUPPORT OF LOCAL BUSINESSES

Given the unprecedented and unexpected impact of the Covid-19 virus throughout the country, and specifically in the Mount Washington Valley, please understand that some merchants may not be able to honor the Passport Book coupons this year. We hope that you will respect their decision and will continue to support local businesses.

MESSAGE FROM THE PRESIDENT

Thank you so very much for purchasing the 2021-2022 Passport to Entertainment Book. Thanks also, to our generous sponsors, whose amazing services and products you will be able to access through the use of this book. The Kiwanis Club of Mount Washington Valley is thrilled to be able to offer the Passport Book after not publishing last year due to Covid. Clearly our Club, our sponsors and you, as evidenced by your purchase of this book, are ready to safely move forward and embrace what our wonderful valley has to offer! Your purchase supports our mission of serving the children of Mount Washington Valley. We accomplish that mission in a myriad of ways. Our projects help provide access to food as well as dental, literacy, STEM and Technology programs. We also support local athletic teams and provide camperships and scholarships. We help develop leadership and community service skills through our school-based youth groups. We have even been known to give Santa a helping hand through our Angels and Elves program. A list of our activities can be found on the following pages.

Again, please accept my thanks, the thanks of our members and most importantly the thanks of all of the children that we serve.

With deepest gratitude,

Barbara Plonski
President
